

May 2008

Dear Provider:

The Minnesota Department of Human Services (DHS) recently announced the implementation of a Comprehensive Elder Health Evaluation (CEHE) incentive payment for primary care providers.

PrimeWest Health would like to ensure that primary care providers who are currently contracted with us and working in our communities are aware of this opportunity.

Enclosed, please find the following:

- Department of Human Services letter announcing the CEHE incentive for primary care providers. In addition to announcing the incentive, the letter outlines the purpose and design of the program as well.
- Department of Human Services guidelines describing how the CEHE incentive works
- Provider Incentive Fact Sheet Grid

If you have questions, please call the Provider Services Contact Center at **1-866-431-0802** (toll free).

Sincerely,

PrimeWest Health Provider Services
