Behavioral Health Home

Create a new notification (see *Getting Started*). **Note:** All fields with a red asterisk are required.

Select “Behavioral Health (Group)” from the *Authorization/Notification Type* dropdown menu. Then select “Behavioral Health Home” from the dropdown menu that appears after you make your first selection.

Click *Load Form*.

Fill out *Submitter Information* in full, and enter the *Service Start Date*. **Note:** The Service Start Date will always default to the current date.
Select the *Facility* at which the services are being provided and enter the facility’s phone number.

Enter the *Diagnoses*, upload any *Attachments*, and *Submit* the notification to PrimeWest Health.
