

Dental Services

PrimeWest Health continually strives to strengthen our dental program and add providers. We take great pride in increasing member access and reinvesting in the community through grants.

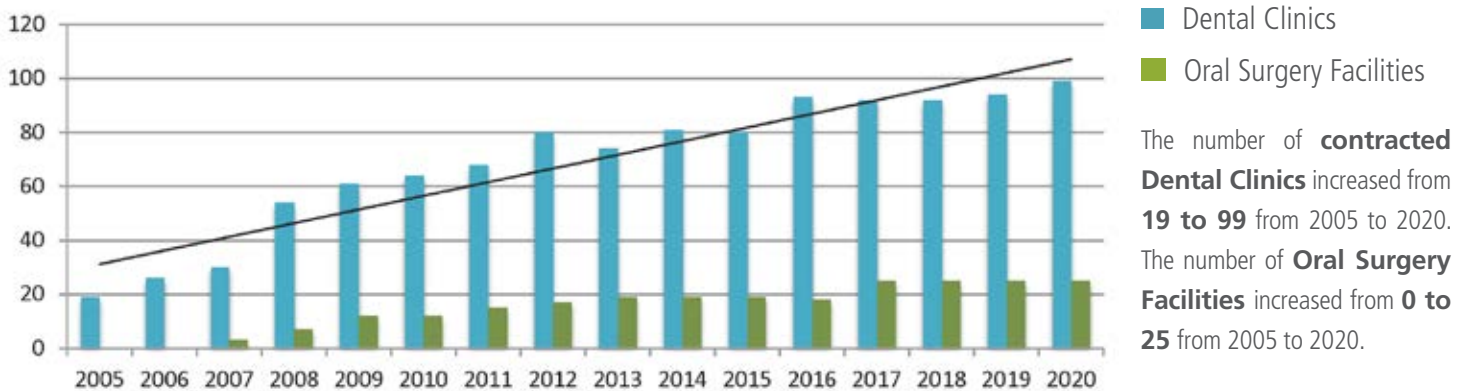

What our providers are saying about us –

“My experience with PrimeWest has been nothing short of fabulous. From the credentialing staff to claims submission and receipt of payment - I am overly impressed. I support and recommend any dental provider to sign up with PrimeWest.”

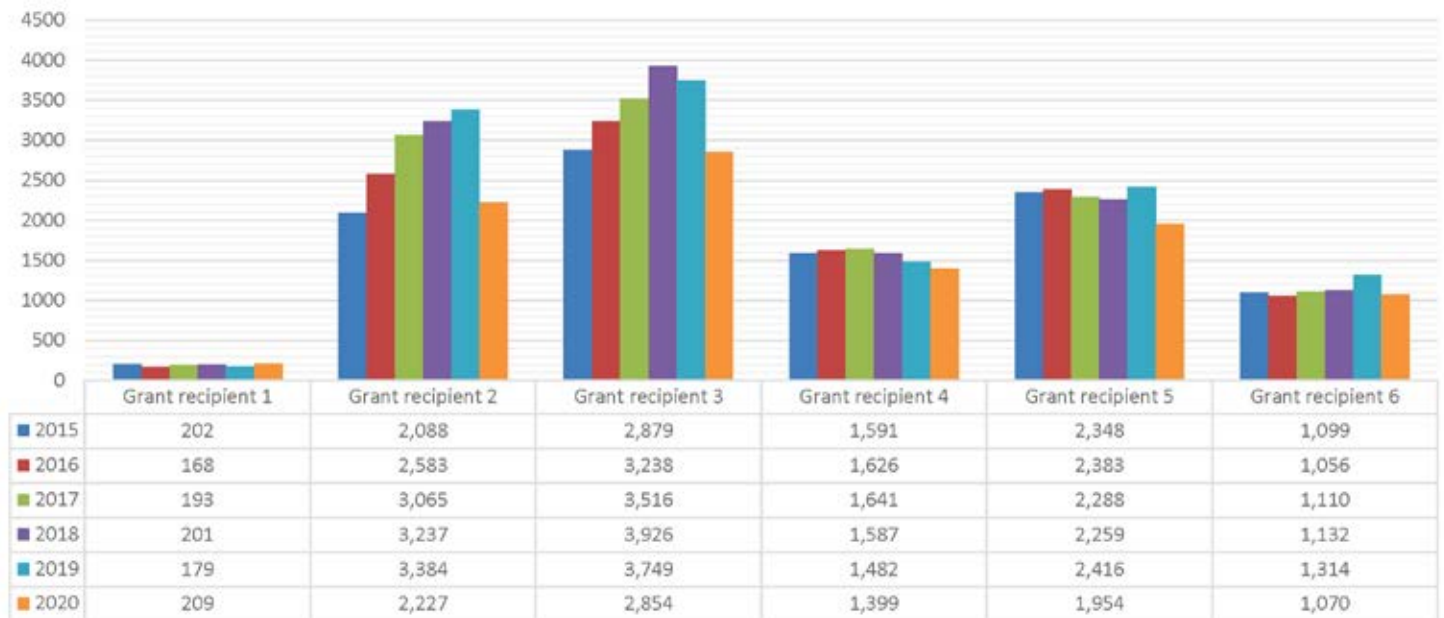

What our members are saying about us –

From the member’s county case manager: “The member called me; she will be going to see the dentist on Monday. She wanted me to let you know how much she appreciates all your hard work. Her actual words to me were: ‘I actually feel like living again.’ Thank you for all you do!!”
