

\$150 for well-child visits

PrimeWest Health has a **well-child visit incentive program** for children ages 0 – 15 months. We strongly encourage parents/guardians to make sure their children have **at least 6** well-child visits by the age of 15 months. For each visit your child completes, you have the opportunity to earn a \$25 gift card. To get your card, have your child complete the well-child visit and then tell us via one of the methods on the first page of this booklet. If you are submitting your information online, be sure to select **“0 – 15 Months Well-Child Visit”** from the dropdown menu.

If your child has **6 visits and you submit the visit information for each, you can earn \$150!**

The recommended schedule of well-child visits is shown below. For example, your child should have their first well-child visit between birth and 2 months of age.

6 important well-child visits your baby needs by 15 months

**Need Some
INCENTIVE?**

Earn up to
\$250
for well-child visits
and vaccines!

Keep your baby healthy and earn up to \$250!

Babies should visit a health care provider for well-child visits several times during their early years. Bringing your child in for well-child visits helps to make sure they are healthy and get the right vaccines. If your child is a PrimeWest Health member, these visits and vaccines are a covered benefit and are provided at no cost to you. What's more, you can earn gift cards worth up to \$250 when your child stays on track with well-child visits and vaccines! To be eligible, PrimeWest Health must be your child's primary insurer when the service is completed.

Read through the information in this booklet to learn how to get your gift cards. When you are ready to submit your information, you can do one of the following:

Complete the enclosed vouchers and mail them back to us at the address below.

Attn: Member & Provider Services
PrimeWest Health
3905 Dakota St
Alexandria, MN 56308

or

Scan the QR code to the right and submit your information to us online.

By completing the voucher or online form, you are attesting that the information you provide is true to the best of your knowledge. PrimeWest Health may look at claims information to confirm the service was provided. We may need to wait until we get a claim for your service before we send your gift card. This process may take 3 to 6 months. Thank you for your patience!

Call Member Services at **1-866-431-0801** for help scheduling well-child visits and vaccinations. TTY users call **1-800-627-3529** or **711**. These calls are free.

\$100 for childhood vaccines

PrimeWest Health has an additional **incentive program for childhood vaccines**, which are addressed during well-child visits. If your child gets all of the vaccines listed below *before* they are age 2 years (24 months), you have the opportunity to earn an additional \$100 gift card!

If your child has all of the vaccines listed below *before* their 2nd birthday, tell us via one of the methods listed on the first page to get your gift card. If you are submitting your information online, be sure to select **"Childhood Vaccines"** from the dropdown menu.

To make sure your child has all of the vaccines, you can ask their provider to check off each vaccine on the enclosed voucher.

- Hep B (Hepatitis B): At least 3 Hep B vaccines, or a history of hepatitis B
- RV (Rotavirus): 2 or 3 doses, depending on vaccine(s) given
- DTaP (Diphtheria, Tetanus, and Pertussis): At least 4 DTaP vaccines
- Hib (H Influenza Type B): 3 or 4 doses, depending on vaccine given
- PCV13 (Pneumococcal conjugate): At least 4 PCV13 vaccines
- IPV (Polio): At least 3 IPV vaccines
- Flu (Influenza): At least 2 influenza vaccines
- MMR (Measles, Mumps, and Rubella): At least 1 MMR vaccine, or a history of measles, mumps, or rubella
- VZV (Chickenpox): At least 1 VZV vaccine, or a history of chickenpox
- Hep A (Hepatitis A): At least 1 Hep A vaccine, or a history of hepatitis A

The recommended schedule of vaccines is shown below. For example, your child should get their first hepatitis B vaccine between birth and one month of age.

Birth	1 month	2 months	4 months	6 months	12 months	15 months	18 months	2 years
Hep B #1	Hep B #2			Hep B #3				
	RV #1	RV #2	RV #3					
	DTaP #1	DTaP #2	DTaP #3				DTaP #4	
	Hib #1	Hib #2	Hib #3		Hib #4			
	PCV13 #1	PCV13 #2	PCV13 #3		PCV13 #4			
	IPV #1	IPV #2		IPV #3				
				Influenza (At least 2 flu vaccines before 2 nd birthday)				
							MMR	
							VZV	
								Hep A
